Found Germination Test Data

Kind	Test Date	Germ	Hard Seed	Dormant Seed	Total Germ
WHEAT	08/10/2020	81%	0%	0%	81%

When inquiring about this report, please include the laboratory number.

The above analysis is based on the sample as submitted. The validity of the report depends on how well the sample represents the seed lot from which the sample was taken. Pure seed includes all seed of the kind being examined. Variety as stated by sender is not verified by analysis.
